

Back in 2004 AC/DC, legends in their own right and one of the most exciting and hardest working bands in rock history in turn spawned one of the most exciting and hardest working tribute bands on the scene today.

Whole Lotta DC are an authentic representation of AC/DC, providing the full breath-taking stage show loved by all true rock fans.

Like a night with one of the ladies celebrated in the Aussie rock gods songs, the Whole Lotta DC experience leaves you feeling sweaty, slightly ashamed and with a bloody great grin across your face.

The rhythm section accurately nails the solid four-on-the-floor boogie while a wall of tight-as-a-gnats chuff guitar knocks you off your feet. On top of all that, the unmistakable vocals and charisma of Brian / Bon and Angus's searing lead work and naughty-boy antics including the stripping are recreated in stunning fashion.

Now that AC/DC tours are few and far between, Whole Lotta DC offer a chance to get up close and personal with the legendary act and are a must-see for fans.
